- 25X1 1. At the time of observation the Kecskemét Airfield was occupied by two or three  
25X1 Soviet fighter squadrons. There were also four single-motored, low-wing  
machines. In front of the hangars were 14 more such machines, but they were  
covered with canvas.
2. The people in the neighborhood said that a battery of antiaircraft artillery  
with searchlights was also present at the field. In front of building 9,  
there were three large searchlights.
